

Heartland Humane Thrift Shop

Did you know the Thrift Shop has been a steady support for the shelter for 28 years? This incredible asset has been running non-stop since its inception and today raises roughly 30% of the shelter's annual revenue. That's a lot of kibble and cat litter!

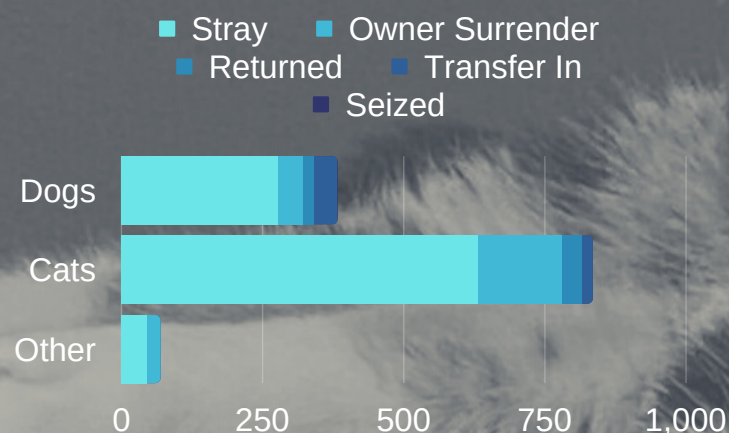

The Heartland Humane Thrift Shop is located in downtown Corvallis in easy walking or biking distance from the Oregon State University campus and accepts gently used items of all kinds. The thrift shop is staffed by a dedicated group of volunteers, who truly make the Thrift Shop a success!

LOST PETS RECLAIMED

Lost dogs are nearly 7 times as likely to be reunited with their families at Heartland than cats or other animals.

Humane Education

Educational programs for youth is a pillar of Heartland's mission: work toward creating a compassionate community. Pandemic restrictions put these program on hiatus. The energy of young people interacting with animals at the shelter and the excitement is so inspiring. The joy of visiting community youth spaces, bringing animals and messages of kindness and empathy is fundamental to our cause.

We are pleased to share that we are bringing our beloved youth programs back to the shelter starting in Fall 2022.
